

Leading the Way to a Brighter Future

Program of the Maine Public Utilities Commission

Philip C. Hastings Award 2008

Philip C. Hastings, the Founding Director of the Efficiency Maine, a Public Utilities Commission Program, will be remembered for his extraordinary patience, his kindness, sharp intelligence and wicked sense of humor. To honor his memory, the Philip C. Hastings Award recognizes the individual or organization whose exemplary efforts have furthered Maine's goals of energy efficiency and environmental enhancement.

Criteria for award

Nominations for the Philip C. Hastings Award should meet the following criteria:

- Demonstrated extraordinary support for Efficiency Maine. This demonstration could take multiple forms such as promotion of the program among peers, public support of the program through the media, or support before the legislature.
- Advanced the mission and principles of Efficiency Maine (Saving Energy for Maine) and its goals which include; increasing consumer awareness of energy efficiency; creating favorable market conditions for efficient products or services, promoting sustainable economic development and reduced environmental damage.
- Provided superior service or support to Maine's energy efficiency community.
- Made a positive impact by leading their profession or industry towards more rapid adoption of energy efficient practices or technologies
